

Gastroenterology and Endoscopy Locations: HealthPartners

The addresses and detailed maps below show the locations for gastroenterology and endoscopy procedures. Each location is listed by its number in the dark black square on the map. (The numbers are specific to this handout only.) Check in for your procedure at the location number circled (if already scheduled).

Call Digestive Care—Endoscopy at **651-254-8680** to schedule, cancel or reschedule your appointment at any of the locations, or for questions about your procedure or preparing for your procedure. Call at least 7 days before your procedure to cancel or reschedule. Be sure to follow the instructions for preparing for your procedure on the other handout provided to you.
